DEVELOPMENT

MANNING INSTALS
IRRIGATION PLANT

Will Put Water on 2000 to 3000 Acres
of Canon Ranch Land; Apartment
House for Tucson.

Tucson, Ariz., June 20.—The irrigation of 2000 to 3000 acres of land on the Canon ranch, 12 miles south of Tucson in the Santa Cruz valley will be started July 1, according to Gen. L. H. Manning, owner of the 17,000-acre ranch. The crops will be beans, corn and hay.

Manning has placed a 200 horsepower steam plant on the ranch. He says the water development has been very satisfactory. Starting at the bottom of an old gravity cut or tunnel sunk under the river bed, he sank seven pits, 4 by 20 feet. The water was found at a depth of 20 feet from the surface. To penetrate the lower stratum he drilled to a depth of 120 feet. Manning says artesian water bubbles up in these pits. He claims there is no shortage of water underlying the country about Tucson, and that the city does not need to go to Sabino canyon for its source of water supply, as has been frequently urged. He maintains the present city wells are sufficient for all the city's purposes. Manning intends to put from 10,000 to 15,000 acres of his ranch under cultivation eventually.

Manning is also interested in the Scotch Farm company, which owns a

The DOCTOR'S
ADVICE
by Dr. Lewis Baker

The questions answered below are general in character; the symptoms or diseases are given and the answers will apply to any case of similar nature. Those wishing further advice free, may address Dr. Lewis Baker, College Bldg., College-Elwood Sts., Dayton, O., enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug store. could find a true remedy to increase my weight I should be the happiest woman alive. I am so thin and scrawny. It is a shame. Why can't I be like other women? I do not work hard and have pretty good health.

Answer: You can be like other women if you will follow my advice, which is to use three grain hypo-phosphate tablets packed in sealed cartons with directions, and most wisely prescribed by the best physicians everywhere. They improve the nutrition, add red blood corpuscles to the blood, increase the complexion, but thorough and regular use must follow to get these good results.

"Mr. Ben" writes: "My joints are becoming so stiff from rheumatism that I can scarcely walk. Is there any help for me?"

Answer: Of course there is help for you and for all others who suffer from rheumatism. Take the following and you will be satisfied. Food, 10c.; potassium, 2c.; sodium salicylate, 4c.; wine of colchicum, 1-2 oz.; compound cod liver oil, 1 oz.; comp. fluid extract of sassafras, 2 drams. Give 10 to 15 drops in water about one hour before meals.

"Howard" writes: "What can I take for headache, dark spots before my eyes, dizzy spells and also constipation?"

Answer: Constipation is the cause of all your trouble, but I can cure you if you will follow my directions. Get at the drug store three grain sulphur tablets (not sulphur). These are packed in sealed tubes and contain full directions. These little tablets purify the blood, the bowels and liver, are stimulant to healthy action and will gradually cure your trouble.

"Little Girl" writes: "To cure your child of bed-wetting get tinctoria cubana, 1 dram; comp. fluid balsam, 1 oz.; and tinctoria rhubarb, 2 drams. Give 10 to 15 drops in water about one hour before meals."

Doctor: "I have been a sufferer of catarrh of the head for many years. It has also affected my stomach, bowels and blood. I suffer greatly and would appreciate an immediate answer."

Louise: "I should recommend the following local treatment for you: Get two ounces of Vaseline powder and to a pint of warm water add one-half teaspoonful and sniff from the palm of the hand a mixture of the nostrils two or three times daily. In connection with this make a catarrh of the nose of one ounce of Vaseline oil and a level teaspoonful of Vaseline powder. Apply this to the nostrils as far up as possible. Also obtain the following ingredients, mix, shake well and take a teaspoonful four times daily: Syrup sassafras, 1 oz.; 4 oz.; comp. fluid balsam, 1 oz.; fluid extract holly, 1 oz."

"Kathryn" writes: "If you know of anything that will stop premature baldness, cure dandruff and itching scalp, I should appreciate a reply."

Answer: The following simple remedy will cure dandruff and promote a luxuriant growth of hair. Ask for plain yellow mineral oil which can be had in 4 oz. jars and use regularly according to directions. I have seen the most astonishing results from its use. It is a healthy treatment of the scalp, which will rid you of any disease of the scalp.
